

**\$50,000
CHALLENGE!!!**

We have had a challenge from members of our congregation. Every dollar given to the Debt Reduction Challenge between June 17 and August 17 will be matched up to \$50,000!!

We will be renewing our loan at the end of August, and we would like to pay down as much principal before that time as possible. If we fulfill this challenge, we will be able to put \$100,000 directly on our loan!!

To give to this challenge, please use the slip below, pick one up at the usher stand, or clearly mark your donation "Debt Challenge."

(We are excited to maximize the funds offered in this challenge, but we also need to continue paying our regular bills throughout the summer, so please do not use your General Fund giving to go toward the debt).
